Introduction

Western Australia is renowned for quality

As one of the most biodiverse regions in the world, Western Australia produces an incredible array of food and beverages.

Our agriculture, food and beverage industry is highly innovative and adopts technology to improve productivity and traceability. With strong links to research and development, and a dedication to biosecurity, Western Australia is well placed to meet the growing global demand for premium products, which are sustainably and ethically produced.

The Western Australian Exporter Directory gives you direct access to the taste of Western Australia.

Passionate growers and producers

Pristine natural growing environment

High-quality products

Uniquely Western Australia

Western Australia's food and beverage industry holds a range of competitive strengths:

Diverse environments

A vast geographic span of 2,400km (1,490 miles) and 12,500km of coastline provides diverse soils, waters and climates suited to a great variety of agrifood enterprises and enabling access to fresh and unique produce year-round.

2,400km
geographic span

Quality and safety

WA's isolated location and world-class biosecurity practices provide one of the most pest and disease-free agricultural production areas in the world, where some 1,400 food manufacturers call home.

1,400
food manufacturers

60%
world's population
shared time-zone

Location and time-zone

Short travel times to Asia mean perishable products can arrive in optimal condition. Being counter-seasonal to the Northern Hemisphere allows buyers to source produce year-round, while sharing the same time zone with 60% of the world's population facilitates trade and business.

66%
growth in agrifood
startups 2021-2024

Innovation and agrifood-tech

Access to the latest advancements through vibrant national and international science and innovation partnerships, as well as modern infrastructure and sophisticated supply chains, provides speed and efficiency in delivery worldwide.

Global position

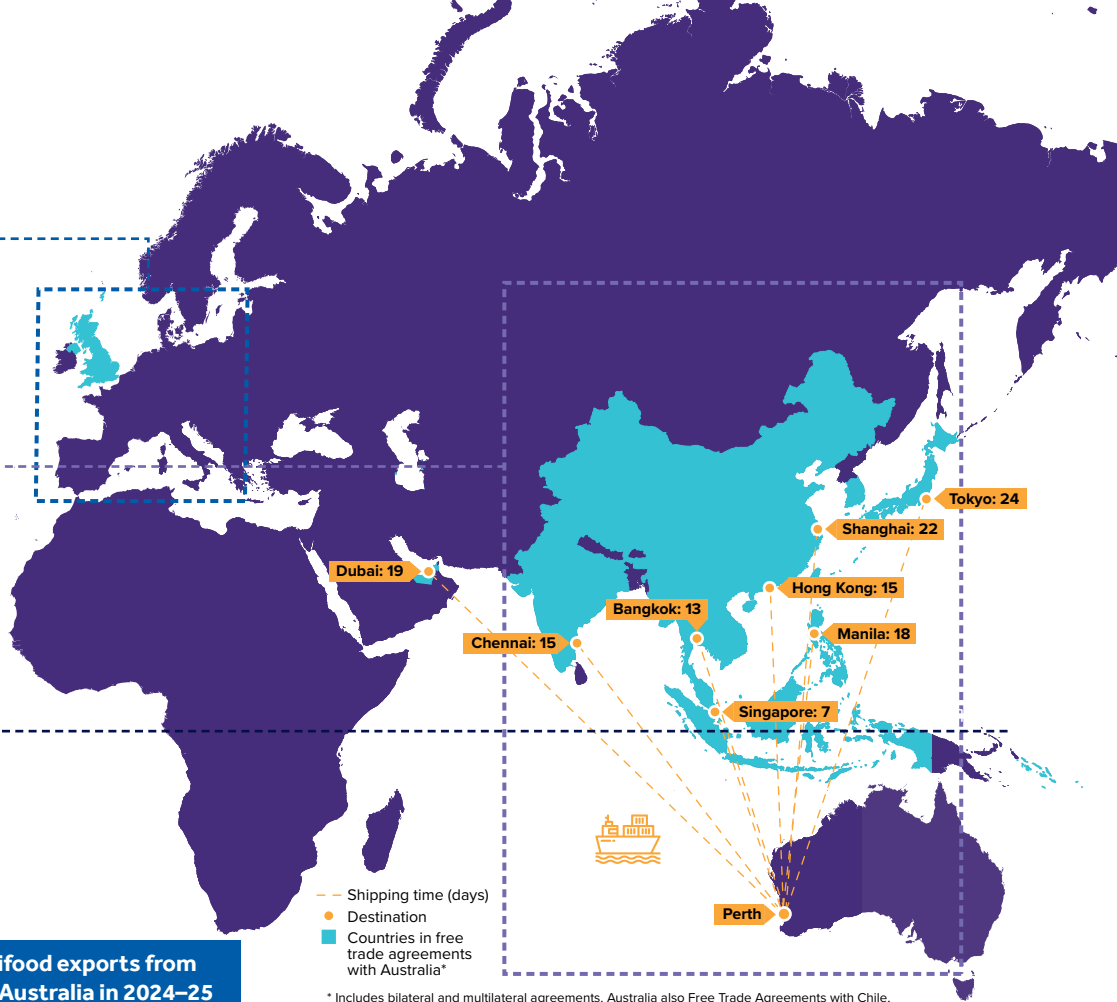

Only Australian state with **business hours that overlap** with continental Europe year-round.

Same or similar time-zone (+/- 2.5hrs) to **60% of the global population**. Shared time-zone with Singapore, Malaysia, the Philippines and China.

Counterseasonal produce to Europe and North America (northern hemisphere).

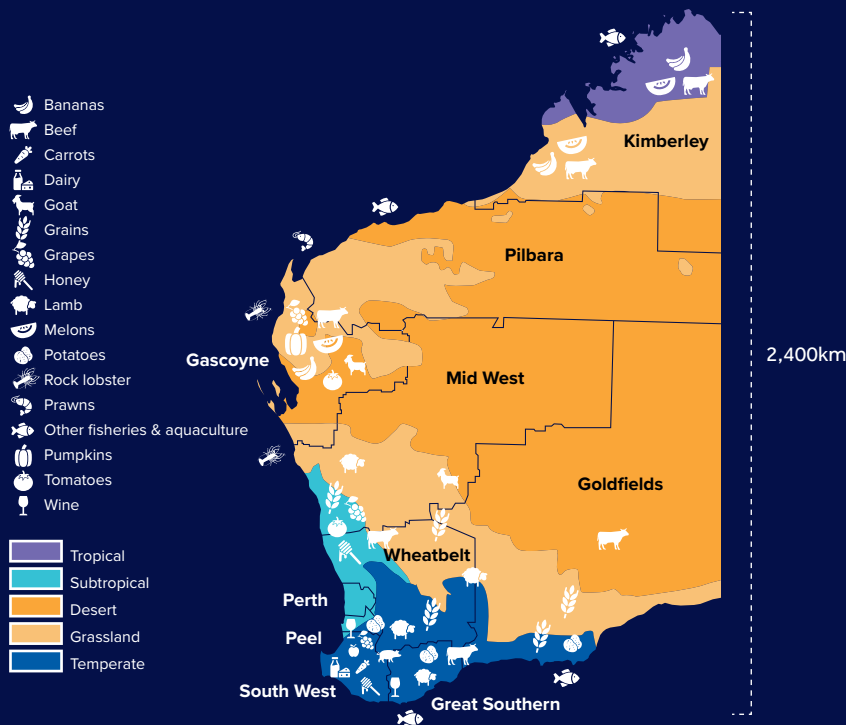

AUD \$12.6b Total agrifood exports from Western Australia in 2024–25

From across the regions

Whether it's tropical fruit from the Ord River in the north, grain from the Wheatbelt, horticulture, dairy and meat from the South West or the bounty of seafood from our 12,500km coastline, Western Australia's diverse environment enables access to fresh and unique produce year round.

Home to some 1,400 food manufacturers, our produce is expertly crafted to deliver the best Western Australia has to offer. Found locally in our fresh markets and supermarkets, top-class restaurants, wineries and beachside cafés from Margaret River to Broome and beyond, there is so much variety of produce worth sharing with the rest of the world.

We invite you to get to know more about Western Australia, by exploring the different regions from north, south, east and west. It's a vast land, with plenty of variety and interesting stories to be discovered.

WA exports around the world

Grains

Spanning more than 8 million hectares, Western Australia's Wheatbelt region exports premium grains globally and is the sole supplier of Japan's udon noodle wheat, delivering the sought-after 'mochi mochi' texture.

Red meat

Wagyu beef, farmed in our pristine Southwest region, is in high demand throughout Asia, Europe and America, exported alongside beef, lamb, mutton, goat, pork and poultry.

Seafood

Our sought-after seafood can arrive in market within hours of being caught, with Western Rock Lobsters, crabs, toothfish and abalone being served in restaurants around the world.

Truffles

Counter-seasonal to the Northern Hemisphere, the gourmet truffles we grow are exported to markets including the United States, France, Hong Kong, United Kingdom, Singapore and Germany.

Apples

We've developed horticulture products with unique characteristics, such as Soluna™ apples which have a striking burgundy colour, do not brown as quickly as other apples and can contribute to heart health.

Honey

Western Australia's delicious Jarrah honey is known in Asia for its health benefits, while frames of honeycomb are sent to five-star hotels in the Middle East and Asia for showing at dining buffets.

Categories

On the following pages, you will find information about Western Australian food and beverage producers who are able to export overseas. Get in touch with them directly or through one of our international investment and trade offices to find out more about working together to bring quality products to your customers. Contact details are on page 204.

CONNABIDGEE WA 6503

+61 408 671 692

ginginflourmill@gmail.com

ginginflourmill.com

Gingin Flour Mill is a Western Australian, family-owned producer of premium stone-ground flours and value-added agricultural products, including Gingin-based and grain-derived ingredients for food and feed markets. We source carefully selected WA-grown grains and raw inputs, processed using traditional stone-milling methods that preserve natural nutrition, flavour, and functional performance. Our products are chemical-free, minimally processed, and designed to meet the growing global demand for clean-label, traceable, and nutrient-dense food ingredients. With an integrated milling and handling operation,

we offer consistent quality, scalable volumes, and flexible packaging options. Built on strong agricultural roots, practical innovation, and long-term relationships with growers, Gingin Flour Mill is committed to delivering honest Australian produce with reliability, transparency, and export-grade standards. We proudly represent WA's farming heritage while supporting sustainable, value-added supply chains for international partners.

Bailey Brewing Co.

9861 West Swan Road
HENLEY BROOK WA 6055

+61 8 6192 1830

sales@baileybrewingco.com.au

baileybrewingco.com.au

Bailey Brewing Co. is a family-owned Australian brewery founded by a father and his two sons with a love for great beer and good times. What began in a Swan Valley backyard has grown into an award-winning brewery with venues in Swan Valley and Dunsborough. We brew fresh, easy-drinking beer, designed to suit a wide range of palates and export markets. Our beers are refreshing, approachable and consistently high quality, appealing to both craft beer fans and everyday drinkers. With over five years of brewing experience and numerous awards, we continue to

experiment while staying true to what makes a great beer. Inspired by the relaxed Australian lifestyle, Bailey Brewing Co. produces premium craft beers that travel well and are made to be shared, wherever you're drinking them.

Products

Premium craft beers: Sunset Haze (4.2%), Session Ale (3.5%), Draught (4.0%), Hazy IPA (5.8%), Pale Ale (4.8%), Red Ale (5.2%), Ginger Beer (4.0%).

Available for export in cans – 4 pack and cubes (16), and kegs – 20L, 30L and 50L.

BEERFARM

CULTIVATING GOOD TIMES

Beerfarm

177 Gale Road
METRICUP WA 6280

+61 8 9755 7177

info@beerfarm.com.au

beerfarm.com.au

Beerfarm was founded in 2015 on a 1940s dairy farm in Metricup, Margaret River. We converted the hay shed into a tavern, built a brewery in the round house and created a name for both a destination and a brewery that would serve straight-up beer. Australian-owned and stridently independent, it's been built on grit, determination and the desire to do better. We are more than just a purveyor of high-quality beer, ginger beer, and cider. Our unique taphouse in Metricup, WA, has become a go-to spot for both locals and travellers, serving 'paddock to plate' food experiences, and of course, great

beer and good times. So in essence, we are a farm, a brewery, a hospitality venue. We are driven to learn and progress as a team, continue doing things a little left of centre and make sure to have fun along the way.

Products

Beer and cider in 16 x 375mL cartons or 30L kegs. The current core range includes:

- Royal Haze – Hazy IPA 5.8%
- IPA – India Pale Ale 5.6%
- IPL – India Pale Lager 5.2%
- Pale – Pale Ale 4.7%

- Lager – 4.2%
- Hazy Standard – Hazy Pale Mid Strength 3.5%
- Hazy Pale – 4.6%
- Milk Stout – 5.5%

Australian distribution

Dingo Brewing

Level 2/330 Churchill Avenue
SUBIACO WA 6008

+61 417 409 613

bernard@dingobrewingcompany.com.au

dingobrewingcompany.com.au

Western Australia's Own.

The Dingo has stood as a landmark on our pristine coastline for decades, offering visitors from far and wide a glimpse of what it means to call WA home.

Now, we've proudly put our iconic stamp on beer. Fiercely independent with a healthy irreverence for authority, Dingo Lager is proudly Western Australia's own.

Supporting local farmers with malt and barley sourced exclusively from WA and giving our people a beer they can count on for any occasion.

Dingo Lager pays homage to our uniquely West Australian culture and history.

A beer that is as quintessentially West Australian as the iconic Dingo sign, multi-award winning and just as familiar.

Feral Brewing Co.

323 Collier Road
BASSENDEAN WA 6054

+61 417 189 960

daniel.scoble@feralbrewing.com.au

feralbrewing.com.au

The Feral Brewing Co. is advancing brewing for all humankind. Our story begins in 2002. Feral's founders saw the future in the outer scrublands of Perth. A hog, feral and wild. Where others would have just seen a hog tearing at an abandoned couch, they saw a hog tearing at the fabric of possibility!

In their laboratory (now the Feral Centre for Advanced Research and Sciences), they poked and tinkered and experimented and spliced the creature, noting its fantastical capacity for containing everything poured into

it. The malt multiplied. The bitterness seethed. From this singular creature, others began to spawn. They had finally created a monster!

Products

Beer: 4 x 4pk 375mL can case.

MYAREE WA 6153

+61 432 363 880

sales@nailbrewing.com.au

nailbrewing.com.au

Nail Brewing is one of Western Australia's most established independent breweries, recognised for producing high-quality, award-winning craft beer that reflects the character and provenance of the state. Founded in 2000, the brewery combines modern brewing capability with a strong focus on ingredient integrity, consistency, and shelf-stable product performance, essential attributes for export markets. Our portfolio spans core styles suited to international consumers, including the flagship Quokka Lager, a bright, session-able 4.1% craft lager inspired by Rottnest Island.

Nail Brewing products deliver broad consumer appeal while maintaining the authenticity and craftsmanship expected of premium Australian beer. With scalable production, reliable supply, and a commitment to partnership-driven growth, Nail Brewing is well positioned to support long-term distribution in global markets.

We offer international buyers a dependable, high-quality Western Australian craft beer portfolio backed by strong brand foundations and a proven domestic presence.

Running With Thieves

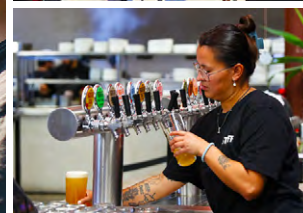

218 Marine Terrace
SOUTH FREMANTLE WA 6162

+61 418 158 994

david.mckenna@runningwiththieves.com

runningwiththieves.com

We're not your average brewery and we never wanted to be. Born and brewed in Fremantle, Running With Thieves is where bold craft meets uncompromised quality. We're proudly independent and driven by passion, not playbooks. Every beer, gin, whisky and RTD and even can is made right here by a crew who live for what they create; no shortcuts, no nonsense, just the good stuff done right. Our home in South Freo isn't a showroom, it's our heartbeat. It's where stainless steel meets sea breeze, where ideas get loud and where locals and wanderers come to feel alive. From grain to glass, everything

we make is a statement: premium, authentic and unapologetically ours. We don't follow trends, we create them. We brew for the ones who live loud, think bold and drink better. So, if you're ready to join our lifestyle, grab a pint, pull up a chair and run with us.

Products

- Beer: Japanese mid lager, session ale, lager, pale ale, low carb hazy, hazy pale, WCIPA
- RTD: Ginger beer, vodka lime soda, gin and tonic, Pash On, Major Blush, Whisky and cola, bourbon and cola.

- Spirits: Vodka, botanical gin, pink gin, single malt whisky, bourbon.

BALDIVIS WA 6171

+61 417 409 613

bernard@whitelakesbrewing.co

whitelakesbrewing.co

Perched overlooking picturesque horizons, Whitelakes Brewing's state-of-the-art brewery in Baldivis, 40 minutes from Perth CBD, provides the ideal stage to enjoy the theatre of beer. Naturally crafted by Head Brewer Sean Symons, with no preservatives or additives, our beers pay homage to classic styles with a modern, new world twist. Our story began in 2016 with a desire to create a new brewing experience that inspires creativity while remaining genuine and familiar. Inspired by the unique white lakes of Lake Walyungup, the brewery found its identity, blending technical finesse

with the authentic atmosphere of the surrounding landscape. At Whitelakes, brewing isn't about trends or triumphs, but the process of making. We champion craftsmanship, consistent quality, and the use of the freshest ingredients, with care and attention to detail that only a true maker can provide. We welcome curious minds and adventure seekers to join us in celebrating the art of our craft.

SWAN RIVER DISTILLERY

Swan River Distillery

107 Albany Highway
VICTORIA PARK WA 6100

+61 488 614 991

admin@swanriverdistillery.com.au

swanriverdistillery.com.au

Swan River Distillery is an independent craft distillery based in Perth, Western Australia, run by a father-daughter team with a shared passion for quality spirits and innovation. We produce a diverse and growing range of 25 spirits and liqueurs, blending traditional distilling methods with modern creativity. Our products are made using locally sourced ingredients and Australian native botanicals, showcasing the unique flavours of our region. Gin is at the heart of our range, crafted through vapour infusion in our still to create balanced, aromatic spirits with exceptional purity

and character. Each recipe is developed in-house, drawing on classic techniques while pushing boundaries with fresh, contemporary flavour profiles. From gins and vodkas to liqueurs and experimental releases, Swan River Distillery offers premium, small-batch spirits that reflect Australian provenance, craftsmanship and innovation, making us a distinctive partner for export markets.

Products

Gin, Vodka, Rum, Liqueurs including Chai Liqueur, Coffee Liqueur and Limoncello. We also create Absinthe and Western Australia's first Agave Spirit.

Accreditations and certifications

Our range has received over 40 national and international awards, including recognition at the London Spirits Competition, World Gin Awards, and Australian Distilled Spirits Awards.

Australian distribution

ryan@whippersnapperdistillery.com

whippersnapperdistillery.com

Established in 2014 by two young passionate whiskey drinkers, brother in-laws Alasdair Malloch and Jimmy McKeown. WSD was born from an idea shared that a new era of Australian whiskey could be crafted with its own identity, redefined, whilst still being authentic, quality whiskey helping to shape the future of the Aussie distilling industry. Our journey starts with the relentless pursuit to create the perfect Australian whiskey. As pioneers in this field, Whipper Snapper Distillery handcraft a range of premium, authentic craft whiskeys, set to redefine our perception

and inspire a new generation. As Western Australia's first urban distillery, we are passionate about using local WA grains and highlighting innovation and sustainability. The significance of provenance shapes our award-winning and now world's best whiskeys. As a true craft distillery, everything is created on-site in East Perth. Share our passion and join the journey of local craft whiskey.

West Winds Distillers

29 Hasluck Street
 COWARAMUP WA 6284

✉ info@westwindsdistillers.com

🌐 westwindsdistillers.com

Established in 2010, West Winds Distillers is an independent Australian distillery producing premium, award winning spirits with a strong focus on provenance and quality. The company launched its flagship brand, West Winds Gin, in early 2011 and has since built a reputation as one of Australia's leading craft spirits producers. Our spirits are distilled in the renowned Margaret River region of Western Australia, an area celebrated for its pristine environment and thriving artisan culture. Production takes place on a 600L Hungarian copper pot still, selected for its ability to deliver a refined spirit with depth,

character, and balance. This commitment to authenticity and meticulous distilling standards has been recognised with multiple gold medals at leading national and international spirits competitions. Our spirits are export ready and suited to retail, hospitality, and specialty distribution.

Products

Multiple premium gin expressions, vodka, spiced rum, white rum, 14 year old whisky, traditional limoncello, ready to drink gin mix cans. We offer a diverse portfolio of premium spirits crafted using 100% Australian ingredients, with a particular emphasis on native botanicals

each product delivers distinctive aromas and flavour profiles.

Accreditations and certifications

150 trophies at leading national and international spirit competitions including 48 Gold and Double Gold awards.

3drops

Wragg Road
MOUNT BARKER WA 6324

+61 417 172 603

joanne@3drops.com

3drops.com

Starting as a traditional Mount Barker family farm in Western Australia's Great Southern wine region, 3drops has become one of the state's most acclaimed producers of olive oil and distinctive regional wines. We are fortunate to have a long-standing team including Viticulturist Ray Williams, who planted our Wragg Road vineyard 26 years ago, and Winemaker Rob Diletti, one of WA's most highly regarded winemakers, since 2003. 3drops is a family-owned, boutique wine producer from the cool-climate Great Southern, reflecting a deep connection to land and place

and producing small-batch wines that highlight regional character and purity. The name represents wine, olive oil, and water — central to the family farm. Key varieties include Riesling, Chardonnay, Pinot Noir, and Shiraz, celebrated for balance, finesse, and natural acidity. With a focus on quality, authenticity, and environmental responsibility, fruit is sourced from estate vineyards and crafted using a minimal-intervention approach. Actively pursuing sustainable practices, 3drops delivers elegant, expressive wines suited to premium markets internationally.

Products

Premium cool climate Great Southern wines. Both red and white wines. All in 750mL glass bottles, with screw cap closure.

info@ameliaparkwines.com.au

ameliaparkwines.com.au

Located in Western Australia's Margaret River wine region, Amelia Park Wines combines leading edge techniques with traditional winemaking values and practices, winemaker and co-owner Jeremy Gordon believes success starts in the vineyard, where great wines are grown from superior and consistent fruit quality. The resulting wines are elegant, fruit-driven varietals, complex in structure yet easily and irresistibly enjoyable. This philosophy has seen Jeremy receive numerous awards throughout his career including Australia's most coveted awards, the Jimmy Watson Memorial Trophy, and the James Halliday Chardonnay Challenge

and named as a finalist for International Red Winemaker of the Year at the International Wine Challenge. Amelia Park was once again awarded 5 Red Stars in the latest edition of James Halliday's Wine Companion. This honour confirms Amelia Park's place among the best wineries in the Margaret River Region and in the top 5% of wineries in Australia. Amelia Park was named the best Cellar Door in Margaret River, by acclaimed Gourmet Traveller WINE Magazine, 3 years in a row.

kevin@harveyriver.com.au

fishbonewines.com.au

Fishbone Wines is a boutique, family-owned winery in the Wilyabrup sub-region of Margaret River, Western Australia, producing expressive wines that reflect the region's coastal terroir. Founded by Kevin Sorgiovanni – whose family heritage in agriculture dates back to Italian roots and decades of farming – the winery continues a tradition of land stewardship and quality fruit growing.

Head Winemaker Stuart Pierce, a Jimmy Watson Trophy recipient, collaborates with Kevin to craft award-winning wines under several distinct labels, celebrating

site expression and varietal character. Their philosophy prioritises holistic vineyard health, minimal intervention and respect for natural biodiversity.

The estate spans more than 22 acres of vines planted on well-drained soils, with key varieties including Chardonnay, Cabernet Sauvignon, Tempranillo, Pinot Noir, Vermentino and Malbec, alongside other classic grapes

Fishbone produces a portfolio ranging from approachable, fruit-driven wines to premium, terroir-focused releases,

all crafted to showcase Margaret River's quality and elegant style.

183 Third Street
HARVEY WA 6220

-  +61 8 9729 2588
-  marketing@harveyriver.com.au
-  harveyriverestate.com.au

Harvey River Estate is a family-owned winery in the Geographe Wine Region of Western Australia, with roots reaching back to 1928 when Italian immigrant Giuseppe Sorgiovanni began farming on the banks of the Harvey River. Three generations later, the Sorgiovanni family has built a respected wine business grounded in deep agricultural heritage and a passion for quality fruit. The Harvey River Estate label was established in 1999, with its first commercial vintage in 2000. The winery produces expressive, terroir-driven wines from its own 50-acre estate vineyard – including classic

varietals like Chardonnay, Shiraz and Cabernet Sauvignon – as well as newer plantings such as Barbera, Montepulciano and Moscato. Winemaker Stuart Pierce champions minimal-intervention winemaking to let each variety reflect the region’s character, a philosophy that has earned acclaim in domestic and international markets.

Harvey River Estate wines are exported globally and recognised for elegance, regional expression and consistency, positioning the brand well for continued growth in export channels.

bpoynnton@juniperestate.com.au

juniperestate.com.au

Juniper is the owner and custodian of some of Margaret River's most prized vineyard blocks. Family owned since 1973 and under the stewardship of the Hill family from 1998, the estate now comprises three distinct sites from Karridale in the south to Metricup in the north. Juniper's philosophy is anchored in organic viticulture and a culture of innovation and collaboration in the winery. We aim to make exceptional wines that are true expression of place and time. Everything we make we grow and everything we grow is certified sustainable under Australia's SWA

program. We seek to maximise the diversity of flora and fauna within the soil and above it while sequestering carbon and building resilience. Juniper has a long history of accolades. Its Chardonnays and Cabernets are regarded as some of this country's finest. As we look to the future, our newer plantings of Fiano, Tempranillo and Malbec are also garnering critical acclaim. It is an exciting time here in the heart of Wilyabrup.

ESTATE

Peccavi Estate

1121 Wildwood Road
YALLINGUP WA 6282

+61 404 619 861

sales@peccaviestate

peccaviestate.com

Peccavi is the best-kept secret of Western Australian wine. Peccavi Estate is a small boutique vineyard located in the 'sweet spot' sub-region of Yallingup ridge, at the far end of the Gonyulgup Valley, in the north of the Margaret River region, WA. The vineyard occupies one of the highest elevations in Margaret River and has good moderating cool to cold, Oceanic air movements across the site. All of this culminates in 'cool climate' elements and growing conditions, while still benefiting from the overall warmer temperatures and well drained moderate fertility soils of Yallingup. This balance

of warm macro-climate and cool micro-climate is what gives the Peccavi wines their distinctive balance and poise.

Wines bearing the 'Peccavi' label are from 100% estate grown fruit, hand harvested, often in the cool of the night, from specific parcels within the blocks of vineyards making production of these wines limited by the individual vineyard sites. We select only the best grapes to handcraft our award-winning Peccavi wines, applying traditional methods that are sustainable and using the finest French oak.

- tnhy-wine.com

... Plan B! Wines was established in 2003 in Margaret River, Western Australia by Terry Chellappah. We make world class wines from the great Western Australian appellations of Margaret River, Frankland River and Geographe. We make our original Plan B! wines and in 2021 released our range of super premium THE NEXT HUNDRED YEARS wines. Winemaking is deft; sustainable and sympathetic to the fruit and where it is grown. Organic growing practices are employed widely.

We were proudly highlighted as one of the Top 10 Dark Horse Wineries in Australia, out of over 500 wineries, in The Halliday Wine Companion. In the last 2 years we have received several Gold Medals and trophies for our wines, and many 90+ scores.

tomw@plantagenetwines.com

plantagenetwines.com

Plantagenet Wines is a pioneer of Western Australia's Great Southern region, producing elegant, cool-climate wines of exceptional character since 1968. With vineyards rooted in the ancient soils of Mount Barker in the heart of the Great Southern, and a pristine cool maritime climate, our portfolio showcases distinctive expressions of Pinot Noir, Chardonnay, Riesling, and Shiraz. We're a trusted name in premium Australian wine, built on five decades of family values, sustainable viticulture, and uncompromising quality.

Owned by viticulturists Tom and Jo Wisdom, our wines resonate with markets, offering a compelling combination of provenance, brand pedigree, and quality. Export-ready and internationally awarded, Plantagenet Wines are crafted to meet the demands of fine wine enthusiasts, premium on-trade venues, and sophisticated retail environments globally.

Products

Packaged wine in 6pks on full pallets (104 x 6pks per pallet for Burgundy shaped bottles) (128 x 6pks per pallet

for Bordeaux shaped bottles). Varying quality and price points available for the following varieties – Sauvignon Blanc, Riesling, Chardonnay, Pinot Noir, Shiraz, Cabernet Sauvignon.

ROCKCLIFFE

Rockcliffe Winery

18 Hamilton Rd
DENMARK WA 6333

+61 419 848 195

steve@rockcliffe.com.au

rockcliffe.com.au

Rockcliffe Winery is a wine producer located in Western Australia's Great Southern region, in Denmark. The Rockcliffe vineyard is less than 15 kilometers from the Southern Ocean, which allows the sea breeze all summer to cool the vineyard, creating the perfect conditions for the slow ripening, cool climate styles that symbolize the Great Southern. The Rockcliffe branding reflects local, seashore landscapes, which reflects our love for the ocean and how important it is to the vineyard. The original grapes were planted in 1987,

the pinot and chardonnay were the first planted in the district.

Nautica and Single Site series are the pinnacle of the Rockcliffe brand. Special blocks within individual vineyards are hand selected and crafted into wines that age with distinction yet display immense quality as young wines.

Products

Cabernet Sauvignon, Shiraz, Chardonnay, Fume Blanc, Malbec, Mourvèdre, Pinot Noir, Riesling, Rosé and Sauvignon Blanc. All products in the range are available for export.

Rosabrook Wines

Unit 5/57 Labouchere Road
SOUTH PERTH WA 6151

 +61 8 9368 4555
 info@cfvwine.com.au
 rosabrookwines.com

Rosabrook was originally home to a small number of group settlement farmers who pioneered the dairy industry in Margaret River in the 1930s. Many of the isolated clearings they struggled to tame are now home to some of the region's prime vineyards. Rosabrook was one of the first wine producing pioneers of the Margaret River wine region. Owned by Calneggia Family Vineyards, the winemaking philosophy, carefully guided by the Calneggia Family and Chief Winemaker Severine Logan is to create elegant, fruit driven wines that are a reflection of the vineyard.

SMITHBROOK

Smithbrook Winery

92 Smith Brook Road
MIDDLESEX WA 6258

☎ +61 8 9750 2153
✉ export@fogarty.wine
🌐 smithbrook.wine

Established in the late 1980s, Smithbrook was the first major vineyard in the Pemberton wine region of Western Australia, making it highly regarded as one of Pemberton's pioneering estates. As part of the Southern Forests area, Pemberton is a region nestled among towering Karri forests on some of the Earth's most ancient soils. Smithbrook produces elegant and artisanal single varietal expressions of Sauvignon Blanc, Chardonnay, Merlot, Pinot Noir and Nebbiolo, which make up the Smithbrook Single Vineyard range. These wines are often described as cool climate varietals

due to the fact that their most pure and finessed expression occurs when grown in colder climates. Cooler regional temperatures allow these delicate grapes to ripen slowly, developing deep flavours whilst retaining crucial acidity.

Products

Premium wine, including Chardonnay, Pinot Noir, Merlot, Nebbiolo, Sauvignon Blanc and Red Blend. All of our range is available for export.

Stella Bella

205 Rosa Brook Road
MARGARET RIVER WA 6285

+61 8 9757 6377

exports@stellabella.com.au

stellabella.com.au

Stella Bella is a premium wine producer based in the southernmost vineyards of Margaret River, Western Australia. We farm across five distinct vineyard sites - including our iconic Luminosa and Suckfizzle vineyards – each shaped by the maritime influence of the Indian and Southern Oceans. The result? Cooler nights, slower ripening, and wines with purity, elegance, and exceptional natural perfume. Our focus starts in the vineyard. We farm vine-by-vine using regenerative practices, focusing on biodiversity, soil health, and minimal intervention. This hands-on approach allows us to

express the character of each site – and just as importantly, the individuality of every vintage. In the winery, we balance traditional techniques with thoughtful innovation, to capture the individuality of each season. Stella Bella wines are known for their vibrancy, layered texture, and consistency of quality. We're proud to be recognised as one of Australia's leading producers, with a reputation for wines that reflect the diversity and personality of Southern Margaret River.

Products

Wine, 750mL bottles packed in dozens (or 6-packs for top end wines)

 admin@umamuestate.com
 umamuestate.com

Think back on the best wine you ever tasted. Notice how your fondest memory is a mix of good company, conversation, thirst, tensions needing release and a fine wine that ties everything off? Welcome to UMAMU Estate – we create exquisite, award-winning Margaret River wines, handcrafted from our family vineyard with original plantings in 1978. Our commitment to balance begins with a sustainable ecosystem. Balance means a wine held back to develop character in the bottle till ready to drink. Contentment – precious handwritten notes and messages on our labels.

Share with us, the same love our family has since our first sip of a Margaret River Chardonnay back in the early 1980s. UMAMU, a palindrome reflecting balance and touches on the five senses, five elements and the fifth taste – umami, the flavour of contentment. We can't wait to bring Balance & Contentment into your lives and see what memories you create.

Vineyard 28

270 Bagieau Road
YARLOOP WA 6218

+61 8 9733 5605

wine@vineyard28.com.au

vineyard28.com.au

Western Australia's Italian grape variety pioneers. Vineyard 28, located in Geographe, is owned and operated by winemaker, Mark Cumbers and his partner Pippa Nielsen. Known mostly for growing Piedmontese varieties – Arneis, Dolcetto, Moscato, Barbera and Nebbiolo – they also make a delicious sparkling from the Emilia Romagna variety, Pignoletto and a Fiano which takes its origins from southern Italy. The name is taken from a local parrot, the Port Lincoln Ringneck, or more commonly called the '28' due to their contact call – a whistled

“twen-ty-eight”. These birds frequent the vineyards of Vineyard 28.

VINO VOLTA

Vino Volta

184 ANZAC Road
MOUNT HAWTHORN WA 6016

+61 427 614 610

garth@vinovolta.com.au

vinovolta.com.au

Vino Volta was founded in 2018 by Garth Cliff and Kristen McGann – wine industry lifers. A spirit of experimentation and adventure, underpins Vino Volta, as does a focus on approachability. Swan Valley (195+ years old in grape/wine production) is a wine region just outside of Perth and is our home. Vino Volta is focusing in on Chenin Blanc and Grenache our regional stars. We are exploring a few other warm climate suited varieties that also naturally attain balance and require low inputs in the winery to produce bright textural wines that stand up to the best from anywhere in the world.

We are Terroir focused and looking at older vines and soil types suited to each variety. Looking to growers that are managing their vineyards using organic methods and growers I would more classify as a regenerative / balanced approach where soils and vines are looked after well but there is some intervention as they see required.

Products

Premium wine, including Chenin Blanc, Fiano, Vermentino, Grenache, Dolcetto, Tempranillo Blend, Liqueur Verdelho.

Australian distribution

Wholesale, online, restaurants and independent fine wine retailers.

Wills Domain

17 Brash Road
YALLINGUP WA 6282

+61 8 9755 2327

enquiries@willsdomain.com.au

willsdomain.com.au

Wills Domain is an award-winning, family-owned winery perched atop the rolling Gunyulgup Valley in Yallingup, at the northern tip of the Margaret River wine region. Celebrated for its minimal-intervention Chardonnay and Cabernet Sauvignon, the estate champions sustainability, regional integrity, and culinary excellence. Its estate restaurant is consistently ranked among Western Australia's finest, showcasing local produce alongside estate-grown wines. Wills Domain's commitment to regenerative viticulture, innovation, and hospitality excellence positions it

as a leader in premium wine tourism, attracting both national and international acclaim. With a focus on community, craftsmanship, and sense of place, Wills Domain exemplifies the best of what the Margaret River region has to offer.

Products

Wills Domain's wine range:

- **Paladin Hill:** Small-batch, vineyard-select Chardonnay, Shiraz and Cabernet Sauvignon representing the pinnacle of our craft.
- **Eightfold:** Elegant, oak-matured wines that showcase varietal depth,

precision and structure, honouring eight medieval generations of Haunold family winemaking.

- **Mystic Spring:** Bright, expressive wines including Rosé, Sauvignon Blanc, Semillon-Sauvignon Blanc, Shiraz and Cabernet Sauvignon, crafted for everyday enjoyment with regional integrity.

YEAH WINE

Yeah Wine

401 Wallcliff Road
MARGARET RIVER WA 6285

+61 419 860 646

info@yeahwine.com.au

yeahwine.com.au

YEAH Wine is a family business owned by Sian and Andrew Dawson. They have a small winery where they craft the wines, and source grapes from friends across most Western Australian wine regions. YEAH Wine aims to make wines packed with personality and flavour. The WA United range focusses on super drinkability and while, while Single Vineyard wines aim to offer pure expressions of place and variety. The Small Batch wines experiment with different winemaking techniques to build taste and texture, while the Fancy Pants wine are something special and unique. YEAH Wine

produces small batches of handmade wines. They don't find the need to jump on the band wagon and use gimmicky terms like 'natural wine' or 'minimal intervention', but instead aims to make wines as authenticity as possible, with "minimal mucking about". Yeah Wine offers booze that is authentic, unique and, most importantly, full of flavour, not marketing.

Products

Premium bottled wine. Varieties including Riesling, Chenin Blanc, Semillon, Sauvignon Blanc, Viognier, Chardonnay, Rose, Chilled Red, Skin contact Verdelho, Pinot Noir, Grenache, Sangiovese,

Graciano, Tempranillo, Cabernet Franc, Malbec, Merlot, Petit Verdot, Cabernet Sauvignon, Tannat. All our wines are available for export.

Dingo Sauce Co.

14 Venture Loop
WANGARA WA 6065

+61 8 9302 6211

info@dingosauceco.com.au

dingosauceco.com

Dingo Sauce Co. is a Western Australian family-run business which commenced in Fremantle in 2016 and is now operating from Wangara, 30 minutes' drive north of Perth. We produce a range of hot sauces with a variety of taste sensations and intensity levels.

All products are made from fresh, high quality ingredients sourced from the pristine horticultural regions of Western Australia wherever possible. Dingo Sauce Co. commenced export to the US after an appearance on the hit YouTube show, "Hot Ones".

We are currently exporting to Singapore and Malaysia.

Products

Hot sauces (150mL):

- Widow Maker
- Psycho
- House of Kane
- Dragon's Bane
- Bajan One Drop
- Sweet Chili.

Accreditations and certifications

- HACCP certified
- GMP accredited
- FDA registered.

✉ projects@myplantco.com

🌐 facebook.com/myplantco

At My PlantCo, we do food differently. We are driven by a purpose: to create a more sustainable future by nourishing people and the planet. We achieve this by developing plant-based, value-added food products that reduce waste, enhance food system resilience and offer convenient, nutritious options for everyday living. We believe sustainable living should be easy, accessible and affordable. By rethinking how food is produced and consumed, we transform quality Australian produce into innovative foods that deliver on flavour, nutrition, and impact.

Products

- Real Oats: Unlocking the full potential of Australian oats through smarter, sustainable food solutions. From oat rice, noodles, pasta and spread, Real Oats delivers nourishing alternatives made from 'Australian super oats'.
- Turban Chopsticks: Turning "ugly" fruit and vegetables into curry pastes, chutneys, meal kits and more, reducing food waste while celebrating authentic flavours.
- Kado: Creating plant-based food products from Australian avocados, including oil and butter.

Accreditations and certifications

HACCP certified.

CHOPSTICKS

Turban Chopsticks

38 Stiles Avenue
BURSWOOD WA 6100

+61 1300 898 967

hello@turbanchopsticks.com.au

turbanchopsticks.com.au

We are an Australian business which specialises in quick, easy and nutritious curry pastes, chutneys, meals kits and spice blends. Our range is natural, vegan and gluten free. We use the freshest natural ingredients, sourced locally from Australian farmers.

We take special care in the roasting and blending of our secret spices to create the right balance of flavours for each dish. Turban Chopsticks products appeal to time-poor consumers who enjoy eating authentic Indian and Asian foods, and to the food service market that needs

quick and natural bases to create meals with ease.

Turban Chopsticks also specialises in contract manufacturing and creating value added products for other businesses.

Products

Meals kits, curry pastes, chutneys, spice blends and curry powder. All natural, vegan, plant based, gluten free and made in Australia. Full range are available for export.

BAHEN & CO

CHOCOLATE MAKER

Bahen & Co.

20 Friesian Street
COWARAMUP WA 6284

+61 417 699 035

josh@bahenchocolate.com

bahenchocolate.com

Bahen & Co. makes stone ground chocolate from bean to bar. A traditional approach to chocolate making that returns to a slower pace of a previous time. From the faded plantation names on the jute cacao bags to the diverse origins of the restored old world machines you get a sense of Bahen & Co.'s deep curiosity about cacao.

With former lives as vigneron, Jacqui and Josh Bahen have seeded an understanding that achieving simplicity in chocolate making is harder than complex.

Restored from a vintage age and lead by a 1930s Barth Sirocco Ball Roaster and circa 1910 Guitard Melangeur, the chocolate machines operate slow and cool with the wisdom needed to preserve the taste of distant places.

The chocolate operates from the family farm in Margaret River, Western Australia. A region with a raw natural beauty. We hope you enjoy the journey. From bean to bar.

Products

Chocolate bars 75g, enrobed chocolate 100g boxes, drinking chocolate 1kg, Chefs Couverture 5kg.

Accreditations and certifications

HACCP certified.

Independent Grain Handlers Commodities

Gate 3, 14 Sudlow Road
BIBRA LAKE WA 6135

+61 488 777 631

rob@ighc.com.au

ighc.com.au

Independent Grain Handlers Commodities (IGHC) prides itself on building relationships with our domestic and overseas customers, offering an efficient and competitive service. We purchase all types of grains, oilseeds and pulses directly from Australian growers, and deliver them to customers across the world. We specialise in container packing and delivery, however have the capacity to accumulate grain for bulk orders or work with partners on bulk vessel shipments. IGHC works closely with producers to ensure commodities meet the individual requirements of our

customers and provide a high quality solution for their business.

Products

IGHC exports all its grain, oilseeds and pulses, typically in 20 foot and 40 foot shipping containers, to best suit the needs of the customer. However, we are not usually limited by volume or number of containers.

Accreditations and certifications

- AQIS certified
- GTA member.

- Permits for exporting to all destinations permitting import of grains, oilseeds and pulses, in line with destination importation requirements.

Australian distribution

As a raw commodity provider, we buy grain locally and store onsite, selling to major feed and food manufacturers in Australia.

sales@starscapedistribution.com.au

starscapedistribution.com.au

Starscape Distribution is a Western Australian family-owned company. Starscape Distribution was born in 2000 when Jalil (Jay) Karmout started distributing small orders from his store in Riverton to other stores around Perth. Over the years, through exceptional service and quality of product, Starscape grew to a standalone operation. It has since outgrown its warehouse in Cockburn to a newer larger facility in Forrestdale where it now operates. Our export division is responsible for overseas marketing of a wide range of fine quality Australian grown produce.

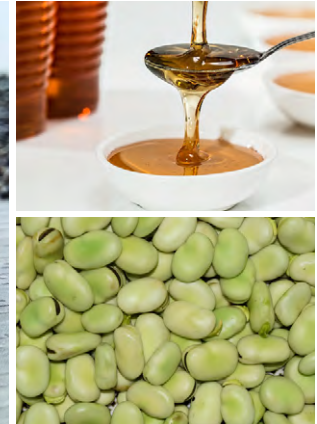

Products

Starscape source and supply seeds, grains, dried fruits, nuts, spices, herbs and beans. Products are available as both organic and conventional. The range of exported products Starscape source and supply include faba beans, split faba beans, kabuli chickpeas, vetch, lupin, mung beans and premium quality Western Australian honey.

sales@elixirrawhoney.com.au

elixirrawhoney.com.au

Elixir Honey was established over 20 years ago, arising from a passion for beekeeping and producing the highest quality raw, wild honey. Sourced from our 400 hives kept in the wild, pristine, remote forests and native bushlands of Western Australia, at Elixir we work hard to bring you the purest honey possible. We focus on the health of our bees and the land on which we source and harvest our honey, not using any chemicals, antibiotics, herbicides, and pesticides in any aspect of our beekeeping. Regularly tested with the results published so you can have proof that you are buying the purest

honey available, our honey is 100% natural and never pasteurised, homogenised, micro-filtrated or blended. We harvest through single harvest, cold extraction, and cold pressed methods to ensure our honey is simply as nature intended it to be.

Marshall's WA Honey

213 Irymple Road
KARRAGULLEN WA 6111

-  +61 438 213 530
-  marshalls@wahoney.com.au
-  wahoney.com.au

Marshall's WA Honey is a family owned and operated apiary and honey wholesaler, targeting WA's signature honeys – Jarrah, Redgum, Blackbutt, Karri. This 100% owned and operated beekeeping business applies the principle of 'paddock to plate' in every aspect. I run a manageable number of hives which allows me to harvest the best quality honey; small batches that are unique to specific areas. My goal is to make these world class honeys accessible to consumers, allowing them to discover the superb taste and health benefits for themselves. Exploring new

country, locating flora, securing sites with landholders, preparing the bees, and executing the move in Western Australian bush has no guarantees. There is an element of chance with every honey harvest – each and every spoonful has a big story behind it.

Products

- Jarrah 35+ Total Activity
- Redgum 35+ Total Activity
- Blackbutt 35+ Total Activity
- Karri 35+ Total Activity
- All available in: 250g, 500g, 1kg, Bulk

info@nectarhoney.com.au

nectarhoney.com.au

Nectar Honey produces some of the world's purest bioactive honey – exclusively from Western Australia's pristine bush and forests. Our unique selling proposition lies in our commitment to chemical-free, sustainable beekeeping practices that yield unique, single-origin honeys with exceptional bioactivity levels, comparable to premium Manuka honey. Our honey is 100% raw, never heat-treated, micro-filtered, or blended. Each jar is fully traceable with batch numbers and scannable QR codes, ensuring transparency from hive to home. Harvested from areas with native flora including Jarrah and Yarra trees, our honeys

deliver strong antioxidant properties and delicious flavour profiles at competitive pricing. We serve retail, wholesale and food service markets, enabling restaurants, health distributors and food manufacturers to incorporate our premium, lab-certified honey into their products. Our minimal intervention approach preserves nature's perfect creation, offering international buyers authentic Australian honey.

Products

-  info@futariwagyu.com
-  futariwagyu.com

Futari Wagyu produces ultra premium, fullblood Japanese Wagyu beef from Western Australia, known for its exceptional marbling, rich buttery flavour, and melt-in-your-mouth tenderness, combining traditional Japanese breeding (Tajima line) with Australian farming on the south coast near Two Peoples Bay. Resulting in a superior, high-grade beef for a variety of 33 different cuts. Futari meaning two people, join together and share. Key characteristics:

- Fullblood genetics: Descended from pure Japanese Wagyu cattle, specifically the Tajima line, for authentic quality.

- Exceptional marbling (MB9+): Fine streaks of fat melt during cooking, creating intense flavour and tenderness.
- Buttery flavour: The marbling infuses the meat with a distinct buttery taste.
- Australian origin: Raised on lush pastures near Two Peoples Bay, WA, using a blend of Japanese heritage and modern Australian farming.
- Stress-free environment: Their care ensures less stress, naturally developing high-grade marbling.
- Awards: Recognised with awards, including Gold Medals and Champion Export at the Perth Royal Food Awards.

pardoowagyu.com

Established in 1865, Pardoo Wagyu Station has a heritage steeped in the pastoral world. It is only through the care of this pristine landscape by successive generations that it can today call itself home to a pioneering Wagyu company. Pardoo Wagyu is an innovative Wagyu company a decade in the making which has grown from a small nucleus to over 10,000 Purebred Wagyu breeders naturally grazing on over 800,000ha producing safe, reliable and secure premium Wagyu beef to be found today in 15 global markets.

With its meticulous genetics selection commencing at the Shogo Takeda Genetics Centre in Perth, the cattle are bred in the lush Kimberley region and raised at Pardoo in the Pilbara where abundant artesian water and mineral rich soils combine to create the perfect tasting Wagyu, a provenance of purity never to be replicated.

Pardoo Wagyu has buyer contacts in Western Australia and Queensland.

sales@alba.com.au

albaoil.com.au

For over 50 years, Alba Edible Oils has been a trusted name in the Australian edible oil industry. Alba Edible Oils is the only edible oil refinery in Western Australia, proudly supplying premium cooking oils through a specialised natural crush and purification process. The specialised, patent-pending, chemical-free purification process produces oil with a highly desirable micronutrient profile, capable of exceeding the highest stringent international food requirements (e.g. infant food production). Through our closed-loop, fully integrated canola value chain, supplied exclusively with 100%

Australian-grown canola seed, we produce fresh, premium cooking oil at our refinery. Driven by passion and precision, we're committed to delivering the finest quality oil worldwide – excellence in every drop.

Products

We offer a versatile range of premium edible oils – including identity-preserved canola oil, blended vegetable oils, frying oils, and butter and ghee replacements. Delivered in 15L, 20L, and bulk sizes, our oils are proudly used by leading food service and manufacturing brands around the world.

Chapman River Olives

1957 Chapman Valley Road
YETNA WA 6532

+61 408 610 109
russ@rllcpa.com.au
chapmanriver.com.au

Rooted in four generations of farming, our family transitioned from broadacre farming in the Wheatbelt to Chapman Valley in 1988. With a vision to harness the region's unique underground water supply, we embarked on a journey into olive cultivation, planting our first trees in 1999.

Our farm now nurtures 6,000 olive trees in rich red loam soil, producing award-winning Extra Virgin Olive Oil (EVOO) recognised nationally and internationally, including in Sydney, Los Angeles, Japan and the Australian International competitions.

From the orchard to our on-site press, we manage every step of production, ensuring the highest quality oil.

Our state-of-the-art Tuscan centrifuge system allows us to extract pure EVOO without additional processing, preserving the rich flavours and nutritional benefits. Backed by decades of experience and innovation, our farm delivers premium, sustainably produced olive oil – direct from Western Australia to the world.

Products

Extra virgin olive oil, 500mL bottles; 10L casks; 2.5L and 4L flasks. Bulk export in IBC.

Accreditations and certifications

AOA Code of Practise certified.

Australian distribution

Kochii Eucalyptus Oil

100 Colin Street
WEST PERTH WA 6005

+61 8 8481 2033

hello@fasera.com

fasera.com.au

Kochii Eucalyptus Oil Pty Ltd distils the world's finest and purest eucalyptus oil from sustainable, farmed Australian oil mallees planted throughout the West Australian Wheatbelt. Oil Mallees are indigenous to this region and have adapted to the harsh arid landscape, where they thrive. Re-establishing these trees within cropping land reduces the saline water table while creating shelter belts for native species and livestock and preventing erosion.

After each harvest these oil mallees coppice, regenerating to provide leafy green biomass for reharvesting every few years. Kochii Eucalyptus Oil Mallees produce the purest essential oil of eucalyptus, averaging 92% pure eucalyptol straight from the distillery.

Products

Essential oils of *Eucalyptus kochii*, *Eucalyptus polybractea*, and *Eucalyptus loxophleba lissophloia*.

info@mondonougat.com.au

mondonougat.com.au

At Mondino Pty Ltd, we're a proud, family-owned Western Australian business and home to two of the region's most loved artisan brands: Mondo Nougat and Morish Nuts. Our passion for quality, tradition, and handcrafted treats has guided us since 1989, when we began with Mondo Nougat, inspired by our Italian heritage and the soft, delicate nougat we grew up with. Using premium ingredients like Australian almonds, honey, and egg whites, we craft small-batch nougat that blends traditional methods with modern flavours such as chocolate, coffee, and fruit.

Our Swan Valley factory and café have become a welcoming destination for locals and tourists seeking authentic, handmade nougat.

Products

Nougat bars – 45g, 60g, 165g, nougat bags from 125g-1kg.

✉ sales@centerwest.com.au

🌐 centerwest.com.au

Center West Exports is a second-generation, Western Australian-owned agribusiness renowned for premium carrot production and vertically integrated operations. With over 2,500 acres of fertile farmland and on-site hydro-cooling and packing facilities, produce is harvested, cooled, and ready for shipment within 90 minutes to preserve freshness.

Our carrots owe their unique sweetness and exceptional taste to the pristine aquifers supplying some of the purest water in the world, combined with

nutrient-rich soil – achieving brix levels of up to 15. In addition to carrots, we offer a curated selection of other fruit and vegetables sourced from Quality Assured growers, enabling tailored consignments for diverse customer needs. Center West blends heritage farming expertise with modern technology to deliver consistent quality and reliability from seed to shipment.

Products

We specialise in exporting premium carrots, available in multiple formats to suit diverse market requirements.

Standard loose bulk packs are offered in 10kg and 20kg cartons, while retail-ready options are available in 500g and 1kg consumer bags. For added flexibility, we provide custom packing and branding solutions tailored to each customer's specific branding and logistical needs.

STONEBARN
Manjimup

Stonebarn

402 Langley Road
UPPER WARREN WA 6258

☎ +61 424 054 344

✉ info@stonebarn.com.au

🌐 stonebarn.com.au

Stonebarn is a large commercial truffle producer in the Western Australian food and wine region of Manjimup. Established in 2004, Stonebarn was one of the first French black winter 'Perigord' truffle (*Tuber melanosporum*) producers in the region, now renowned as the heart of Australian truffle country. We have achieved oak tree truffle productivity far beyond what most farms dream of. Our truffles are exported internationally to prestigious restaurants in the United States, Europe and across Asia. They are prized for their exceptional aroma, appearance and consistency, cultivated in pristine cool-climate conditions

to ensure peak flavour development. We focus on the quality of our soil, renowned for its natural microbiota due to traditional farming methods that avoid chemicals harmful to living soil organisms — care that only a privately owned family company could provide.

Our truffles are tested annually to ensure compliance with customs requirements and are packaged with insulation and kept cool during transportation to arrive in perfect condition. From June to August we supply whole large and small truffles of all grades, as well as pieces and trimmings for all your truffle needs.

Products

Fresh & frozen truffles (MOQ 5kg).

Accreditations and certifications

HACCP certified.

Australian distribution

Distributed through truffle wholesalers, distributors and to restaurants.

490 Seven Day Road
MANJIMUP WA 6258

-  +61 423 379 062
-  heidi@trufflehill.com.au
-  trufflehill.com.au

Truffle Hill was founded in 1997 by a group of passionate visionaries with a simple but ambitious goal: to cultivate and share the exquisite Black Périgord Truffle with the world. That dream took root in the town of Manjimup, Western Australia, where Truffle Hill became the country's first commercial truffière on the mainland. Nestled among rolling hills, vineyards, and orchards, Truffle Hill is now renowned for producing some of the world's most aromatic and sought-after Black Périgord truffles (*Tuber melanosporum*), along with a curated range of premium truffle gourmet

products and unforgettable truffle experiences. "At Truffle Hill, our mission is to transform every truffle encounter into something truly extraordinary – an experience worth sharing."

In a major milestone, Truffle Hill recently acquired the Oak Valley Truffle Farm, positioning the company as one of the largest truffle producers globally.

Nibbles and Paws

39 Bassendean Road
BAYSWATER WA 6053

☎ +61 420 513 615

✉ info@nibblesandpaws.com

🌐 nibblesandpaws.com

Nibbles and Paws specialises in healthy, Australian-made freeze-dried treats for both cats and dogs. We started the business after our cat developed health issues from consuming low-quality 'junk' treats, inspiring us to create a guilt-free alternative.

Our products are made with a commitment to quality and pet well-being, no nasties, 100% human-grade and real meat.

The treats are carefully freeze-dried to capture maximum nutrients and ensure a long shelf life, while being strictly

free from added sugars, additives, and artificial 'nasties'. They are versatile, serving as excellent training rewards, meal toppers, or standalone food. Our range includes favourites like Diced Beef, Chicken Heart, Chicken Breast, Salmon, Prawns, and New Zealand Green Lipped Mussels.

Products

Freeze-dried treats for cats and dogs. Cartons with 6 individual packs of 70g/50g.

Tamgaree Kikuyu

4-15 Overton Gardens
COTTESLOE WA 6011

+61 403 389 189

hello@tamgaree-kikuyu.com.au

tamgaree-kikuyu.com.au

Tamgaree Kikuyu is Western Australia's only kikuyu harvesting operation, harvesting Whittet kikuyu pasture and turf seed. Operating in the Southwest of Western Australia, Tamgaree Kikuyu supplies pure kikuyu seed for turf and lawn, and a mix of kikuyu and subterranean clover seed for pasture generation. WA grown Whittet kikuyu is a hardy plant that has adapted to our long dry summers, thriving on the occasional summer storm to provide ground cover, livestock feed and erosion barriers in what would otherwise be bare earth paddocks.

Kikuyu is known for its durability and ability to survive the harshest of conditions. Sown as turf Tamgaree Kikuyu provides robust domestic lawns and its durability and drought tolerance suits large scale commercial lawns and golf courses. At approximately 400,000 seeds per kg, Tamgaree Kikuyu provides a low-cost option for sowing either lawn or pasture.

Products

Whittet Kikuyu – Turf Grade >98% purity,
Whittet Kikuyu – Mixed Subterranean
Clover – pasture grade.

Support for investment and trade

Invest and Trade Western Australia

If you are looking for opportunities in business, investment or trade, contact our experienced team at Invest and Trade Western Australia.

Our in-house experts can support you directly and provide referrals or introductions across our network of overseas offices, industry bodies and government agencies.

The Government of Western Australia operates seventeen investment and trade offices in our key trading regions, including Europe, India-Gulf, North East Asia, China and ASEAN.

Please visit investandtrade.wa.gov.au for further information, including the contact details for our overseas offices.

Department of Primary Industries and Regional Development

The Department of Primary Industries and Regional Development works closely with Invest and Trade Western Australia to provide trade and investment support specifically for the agrifood and beverage sector.

Our services include:

- facilitating trade through business matching services, buyer delegations and international trade exhibitions; and
- attracting and facilitating investment into the State's agrifood and beverage industry.

To find out more about our services, we encourage you to contact us via email – export@dpird.wa.gov.au
